AS SOME OF YOU KNOW, one of the many minor idiosyncrasies that we have developed over the years is some times prefixing "Uncle" to a guy's first name when we are engaged in an animated conversation or discussion with him on some particular subject.

And, over the years, it has been our privilege to have engaged in "animated discussions" that have covered a wide range, and have included friends, foes and neutrals.

Our friends, of course, seldom pay any attention when we add "Uncle" to their names in our conversation especially when we are making a telling (?) point.

Most of the time they are so busy thinking up a snappy rejoinder that our "uncle" salutation is lost in the shuffle.

On many occasions, of course, they also preface their remarks with "Uncle George" as they try to shoot us down.

We suppose, basically, our idea in using "uncle" was to put things on an amicable basis as we proceeded to explain how wrong the person was in his viewpoint as compared to our own.

Like, "Uncle Homer, how in the world did you come to that conclusion?"

Being a creature of habit, recently while engaged in an "animated discussion" with a group of people with whom we have become closely associated in recent months, we had occasion to question one party's viewpoint.

We added "uncle" in our response, sort of unconsciously before making our pitch.

You know something, much of the import of our message was lost forever.

First, the guy wanted to know, if he had heard correctly, and, if he had, what was our intent in calling him "uncle".

It took us quite a spell to explain that it was just an expression of familiarity.

There were no connotations, implications or innuendos hidden in it.

But we have been using "uncle" more sparingly since then.

WHEN THE OLD CONgregational Church, which has been the city hall of Campbell since 1956, came tumbling down last week, aided and abetted by Jack Farnham's tractor, another link to the past in Campbell disappeared into the rubble.

Although it was sad, sort of, to see structuring representing more than 70 years of activity of this community, disintegrate in less than an hour in front of one's eyes, its demise was inevitable.

Even the most sentimental old-timer agreed that the building had to go and no useful purpose would be gained by its retention.

We were standing by Rodger Frazier, of R.V. Frazier Construction Co., the firm that built the new city hall, when one big hunk of the old building bit the dust.

Obviously it was the time to come up with one of our choicest bits of deathless prose to describe this historical day of wrecking.

So we rose (?) to the occasion.

"It sure comes down faster than it goes up." we remarked to the guy who had sweated out the building of the new city hall.

We think we should have done better. We doubt that our utterance will be recorded for posterity. Or for anyone else, for that matter.

To the everlasting credit of young Frazier, he merely nodded and went about his business.

PLAY IN TOURNAMENT---Champions of the Campbell-Moreland Pony League for 1971, the Optimist Cubs are representing the league in the first annual "Tournament of Champions" at the Rincon Park field in Campbell.

Games in the double-elimination tourney will be played Wednesday, Thursday and Friday at 6 p.m. Three games, the first starting at 10:30 a.m., are scheduled on Saturday, Aug. 7. The championship will be decided on Sunday, Aug. 8.

Pictured are, first row, left to right, Kent Ohmann, Mike Alvares, Mike Davis, Danny Barry, Greg Johnson and Fred Long. Second row, left to right, Gerald Buckman, Marv Hackett, Ron Hall, Mark Smith. Third row, left to right, Coach Dick Brostrom, Jim Knight, Jerry Navarro, Kevin Allen, Doug Abineau, Dave Brostrom and Manager Dick Barry. Not pictured: Curt Ayala.

FIRST PONY LEAGUE INVITATIONAL

Champions play at Rincon Park

Play will resume this evening (Wednesday) at 6 o'clock in the first annual invitational Pony League "Tournament of Champions" at the Campbell-Moreland Pony League field at Rincon Park. The final championship game will be played on Sunday, Aug. 8 at 1 p.m.

Sponsored by the Campbell-Moreland league, eight teams, each a winner of a league championship are participating in the tournament. The teams include, the Optimist Cubs, winners of the C-M crown; Cambrian; East San Jose; Santa Clara City; Los Gatos; Santa Clara Mission; Saratoga; and Santa Cruz.

Saratoga plays Santa Clara city this evening at Rincon Park. Game time is 6 p.m.

Tournament games will also be played on Thursday and Friday starting at 6 p.m. while on Saturday, there will be three games, at 10:30 a.m., at 1 p.m. and at 3:30 p.m.

The final game in the double-elimination tournament will begin at 1 p.m. on Sunday, Aug. 8.

One of the eight teams, Santa Cruz, was eliminated last week by East San Jose 9-2, as Los Gatos had previously defeated Santa Cruz 7-5.

The C-M entry lost 4-3 to Santa Clara City in the first game while Cambrian was shading Saratoga 2-1.

Campbell-Moreland Pony League loses sectional to Watsonville

Campbell-Moreland Pony League all-stars, district champions, lost to Watsonville 12-3 in the sectional tournament Saturday in Santa Clara.

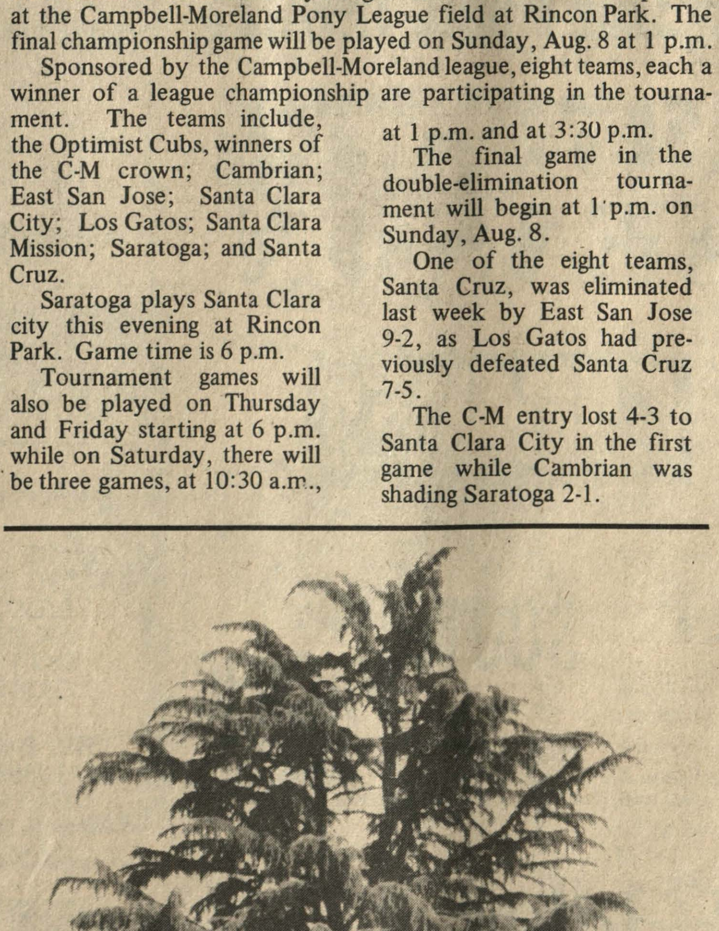
Watsonville went through the double-elimination tournament undefeated but barely nosed out Campbell 5-4 in an earlier 12-inning game that stretched over two days.

On Tuesday the two teams were tied 4-4 when darkness stopped the game. Watsonville won the next afternoon on a throwing error.

Campbell-Moreland defeated Santa Clara City 7-6 in the second game with Fred Long getting the win in relief and Ken Ucci getting three hits. C-M came from behind twice to win that one.

Then on Friday, Campbell-Moreland blanked Santa Clara Mission 3-0 with Mike Codiroli hurling a no-hitter and striking out 16.

Codiroli, a southpaw, struck out 13 in five innings of relief on Tuesday for a total for the tourney of 12 innings of no hits and 29 strikeouts.



GARDEN CLUB PROJECT---Campbell Garden Club has asked the City Council to designate this Sequoia Gigantea, located on the northeast corner of the temporary West Valley College campus at Winchester Blvd. and Campbell Ave. as an official city monument or landmark.

Garden Club members maintain that the tree is historically significant and they feel that it should not be altered, injured or destroyed. They report that it was planted in 1925 and was donated at that time by students of Campbell Grammar School.

The Roosevelt Redwood, planted 20 years earlier by President Theodore Roosevelt, then stood on the opposite corner. The Roosevelt Redwood was removed when the intersection was improved in 1963.

$10.5 MILLION FOR CUSD

Board to act on budget Thursday

Salary increases for teachers will probably highlight the final hearing on the $10.5 million budget for the Campbell Union (elementary) School District this Thursday, Aug. 5.

The budget hearing is part of the agenda of the regular board meeting. But the agenda also includes the sticky question of whether school lunch costs should be raised from 35 cents to 45 cents for students.

Changes in the tentative budget, approved in June, must be incorporated in the final budget which must be filed with the county office by August 10.

The tentative budget calls for an allocation of $7,446,178 in teacher salaries out of the total budget of $10,540,077.

Whether the cost of lunches should be raised to 45 cents for students and 79 cents for adults from the present cost of 35 cents and 53 cents will also be a matter for board action Thursday.

In a report to the board, C. E. Bradley, district business manager has recommended the 20% increase in lunch costs rather than to subsidize the lunch program at an estimated cost of $2000 per month.

Bradley points out in his report that the subsidization would be taking money from the educational program of all the school children in the district.

Mrs. Pearl Calabrese, district food service director, in a report to Bradley has estimated that the average plate cost was almost 46 cents and she felt it was realistic to raise the per plate price to the students.

She emphasized that without the increase and with cost remaining at 35 cents, the subsidy of $2000 per month would be necessary.

Under the communication portion of the agenda, five letters have been submitted by the West Valley Federation of Teachers.

FOR DRIVE-IN THEATER

Council to act on switch issue

In addition to clarifying the city ordinance regulating shut-off switches at the Winchester Drive-in Theater, the City Council next Monday, Aug. 9, is also expected to discuss means of improving conditions in the operation of the theater that are objectionable to residents in the adjacent mobile home park.

Four former planning commissioners, Jack Healey, Frank Klein, Kel Young and Thayer Lyons, who were instrumental in forcing a referendum election last December on the rezoning issue affecting the drive-in theater, are now claiming that the theater is in violation of the city ordinance with respect to shut-off switches.

In the referendum election, the voters upheld the City Council action which rezoned an adjacent six-acre parcel owned by the theater on which a third screen is now located.

Now the four ex-commissioners maintain that the shut-off switches are not "automatic" for individual cars as specified by the ordinance and the theater is thus violating the ordinance.

Operators of the theater submit that there are no individual "automatic" switches on the market. Research by Art Kee, planning director, of suppliers in the field has verified this although some technical experts claim that such a switch could be perfected.

The switch issue first came before the Planning Commission.

That body then bucked it up to the Council to clarify the situation and to determine if the wording of the ordinance is unreasonable as it stands or that the present operation complies with the intent of the ordinance.

In the meantime, city officials, concerned with the objections registered by residents as to other phases of the theater operation relative to noise levels and other factors, have attempted to work with the residents and theater operators toward the alleviation of some of the more basic annoyances.

These annoyances cover such points as the "revving of motors", blowing of horns, speakers left on, motorcycles scooting in, kids climbing the fence and delay in response by the police.

City Manager Bob Stephens said that with the cooperation of the theater people, he felt the situation could be improved to a great extent. He added also that Syufy Enterprises management personnel had indicated their willingness to cooperate in every way possible.

On the Council agenda next Monday will be a report from representatives of the Economic and Social Opportunities group relative to the financial assistance that is offered various senior citizens organizations such as West Valley Senior Action centered in Campbell.

Girl comes to aid of swimmer

Residents of Gorden Glen Apartments, 35 Union Ave., have high praise for Paula Flakus, 16, daughter of Mr. and Mrs. Bob Flakus, who was instrumental in rescuing James Walters, of the same address, who was spotted in the apartment pool Saturday afternoon unconscious.

Paula, a student at Campbell High School, was called by her father, who was unable to reach Walters. She dove into the pool and aided in bringing Walters to the surface.

Walters was taken to a local hospital and later released. According to Mrs. Kay Brown, apartment manager, the young lady acted swiftly and unhesitatingly to accomplish the rescue.

Planners reject change in plans of warehouse

When warehouse space is converted to offices more parking area must be provided, the Planning Commission emphasized on Monday night in rejecting the revised plans for a warehouse building at 645 McGlincey Lane that is virtually completed in which 1000 square-feet has been allocated to offices.

In a similar action, the Planning Commission specified that a warehouse/office now under construction for Santos Aparicio at 89 Dillon, could only have 400-square feet of office space instead of the 800 square feet requested.

Art Kee, planning director, explained that Wilburdon Construction Co., represented by Arthur R. Burton, secretary, had received approval of an 8,810 square foot industrial building at 645 McGlincey Ln. on April 5. Because of the parking ratio, a condition was attached to the approval that limited the use of the building to warehousing. The applicant signed the agreement on April 19.

Inspection by the planning department on July 23, Kee reported, revealed the 1000 square foot office space and other deficiencies, including landscaping.

Based on his findings, Kee requested the building department not to give final approval.

Kee said, that in his opinion, there were three alternatives: 1) more parking area must be provided; 2) offices be removed; or 3) the applicant must apply for a permit for reconsideration of the plans.

The Commission disapproved the revised plans by a 5-2 vote with Don Hebard and Bob Stewart dissenting. Voting for disapproval of the

CofC BOARD TO MEET

Directors of the Chamber of Commerce will meet this Thursday noon, Aug. 5, in the swim and racket building at the Cardiff Affair, 215 Union Ave., following the meeting of the executive committee at 11 a.m.

INTERESTED OBSERVER---LeAnne Smith, 8, daughter of Mr. and Mrs. Lyndon C. Smith, paid special attention to the flight of Apollo 15 this week. Of course, knowing that one of the astronauts is your uncle, probably does make it a little more personal.

LeAnne, who attends West Valley Seventh Day Adventist School, is the niece of Lt. Col. James Irwin, who is married to Mrs. Smith's sister, Mary Ellen.

LeAnne has been keeping a scrapbook of all her uncle's recent activities and has done her own share of rock collecting, an activity in which the astronauts also were recently engaged.

A good control

Application for a nine-story building to be located on the southwest corner of Llewellyn Ave. and W. Hamilton Ave., denied by the Planning Commission on July 6, has been returned to that body by the City Council for further review on August 16.

In sending the plans back, the Council followed an established policy. Whenever plans are modified after the Planning Commission has acted on them, the Council returns the plans without action, so the Planners will have a chance to look over the modifications.

That was the procedure in the case of the nine-story building.

Specifically, the question before the two official city bodies relates to the development schedule under the P-D (planned development) zoning that is in effect on the parcel in question.

Under this type of zoning, plans, elevations and a development schedule must be presented for the entire parcel.

That is not the case in most of the other zoning districts within the city limits. The primary concern then is merely whether the proposed structure meets the specific conditions for the specific zone as spelled out in the ordinance. In most instances, the matter ends with the Planning Commission unless the applicant wishes to appeal the conditions levied to the Council.

But P-D (planned development) zoning is an entirely different matter.

Both the Planning Commission and the City Council must act on the application for any development within P-D zoning.

P-D does not cover any specific construction. In other words, in a P-D zone, there could be a commercial, industrial or even a residential development. But the plans for the whole package must be submitted.

Planned Development zoning was created for a definite purpose. The zoning gives an extra control for key areas within the city or for those areas in which there is a question as to what would be the proper development.

It is true that in the early stages, P-D zoning did not work out as well as had been anticipated. Developers would come in with proposals under P-D to be built in stages, generally with a service station in the first stage.

In a number of instances, the service station was all that was built.

But, overall, Planned Development zoning provides an excellent tool for those who are vested with the responsibility of establishing an orderly development of the community following a basic guideline. It allows for flexibility but, at the same time, provides the necessary controls.

The proposed nine-story building that is planned at Llewellyn and Hamilton in a P-D zone was rejected by a unanimous vote of the Planning Commission.

The Planning Commission specified four points of dissatisfaction: (1) the development was not compatible with the existing land use in the surrounding area; (2) the density, intensity and appearance of the proposed project was not appropriate at the location; (3) there was inadequate parking; (4) the proposed development was not compatible with future plans for the neighborhood.

When the proposal was presented to the City Council, the applicant indicated that he intended to modify the plans to meet some of the objections. He said, for example, one story would be removed which would improve the parking ratio.

The City Council rejected the proposal of the applicant to approve or disapprove the basic concept of whether a high-rise building should be on the site and sent the modified plans back to the Commission for review by that body.

The Council was right, in our opinion, in refusing to act on the "concept" because such an action would, in effect, nullify any subsequent action by the Planning Commission.

The matter now comes before the Planning Commission again on Monday, August 16, when the commissioners are expected to act on the modified plans.

Whether the arguments used by the Planning Commission in rejecting the structure, which proposed to have commercial outlets on the first floor, offices on the next and apartments from three to eight, are sound is not our point.

We are confident that the seven commissioners will act according to what they feel is for the best interest of the community.

But this case does prove the value of P-D zoning as a control.

at the city hall dedication on September 25 is the responsibility of a committee headed by Jeanette Watson.

Obviously it will be difficult to determine what should be placed in the capsule that will give whoever happens to be around some 100 years hence an idea of what it was like here in Campbell in 1971.

(We wonder, for example, whether Campbell Ave. will be improved by that time?)

But it is intriguing to think ahead and visualize the citizens of the area in 2071 poring over Jeanette's material and coming up with their version of a 1971 person.

Of course, there will have to be pictures in the box, so the people in 2071 can have a good laugh over the styles that were in vogue in 1971.

A subject for today for musing for the future would be what replaced the miniskirt.

We doubt, however, that it will be necessary to wait until 2071 for an answer to that.

Come to think about it, we wonder what they will be wearing in 2071?

But that is really not our field.

THERE WAS CONSIDERable scuttlebutt going around before, during and even after the demolition of the old city hall that some sort of a "time-capsule" or a container had been placed in the building back in 1956 when the former Congregational Church building was converted into the city hall.

There are not too many city employees around today who were on the payroll in 1956, but a number of the old-timers were convinced that they recalled some sort of box with certain dated informational material being placed under the porch or some place. But nothing was found.

We were around at the time, doing about the same thing we are doing now, but we could not recall anybody collecting material and putting it away.

We also had the advantage of checking the files of The Press to refresh our memory and there was no mention of such an activity.

Incidentally we recall vividly the dedication program of the city hall in 1956.

We were there.

It was on Sunday and we shot a whole series of pictures recording the event.

We were using a Speed-Graphic camera at the time.

When it came time to develop the pictures the next day, we discovered that the camera lense had been covered all the time we had been shooting.

Consequently there were no pictures of the dedication.

SOME PEOPLE, BEcause of the way the recent news story was written in The Campbell Press, got the impression that the Campbell Garden Club had requested that "Sequoia Gigantea tree" be named the official tree of Campbell.

Some thought that the request pertained to all the giant sequoias in town.

In a memo to the City Council, Lilyan Brannon, conservation chairman of the garden club, explained that the request was for a tree that was planted in 1925 at what is now the northeast entrance to the temporary campus of West Valley College.

The Sequoia Gigantea, which was donated by the students of the Campbell Grammar School, was planted on the opposite corner from the Roosevelt Redwood, planted by President Theodore Roosevelt in 1905 at the corner of Winchester and Campbell Ave.

The Roosevelt Redwood was removed in 1963 when when the streets were widened.

The Campbell Garden Club wants that particular sequoia designated as historically significant and not to be altered, injured or destroyed.

The City Council has referred the request to City Attorney Bob Dempster to check out all the legal ramifications involved in putting the city seal, so to speak, on a tree.

-0-

GETTING INVOLVED IN trees, officially or unofficially almost always causes difficulties.

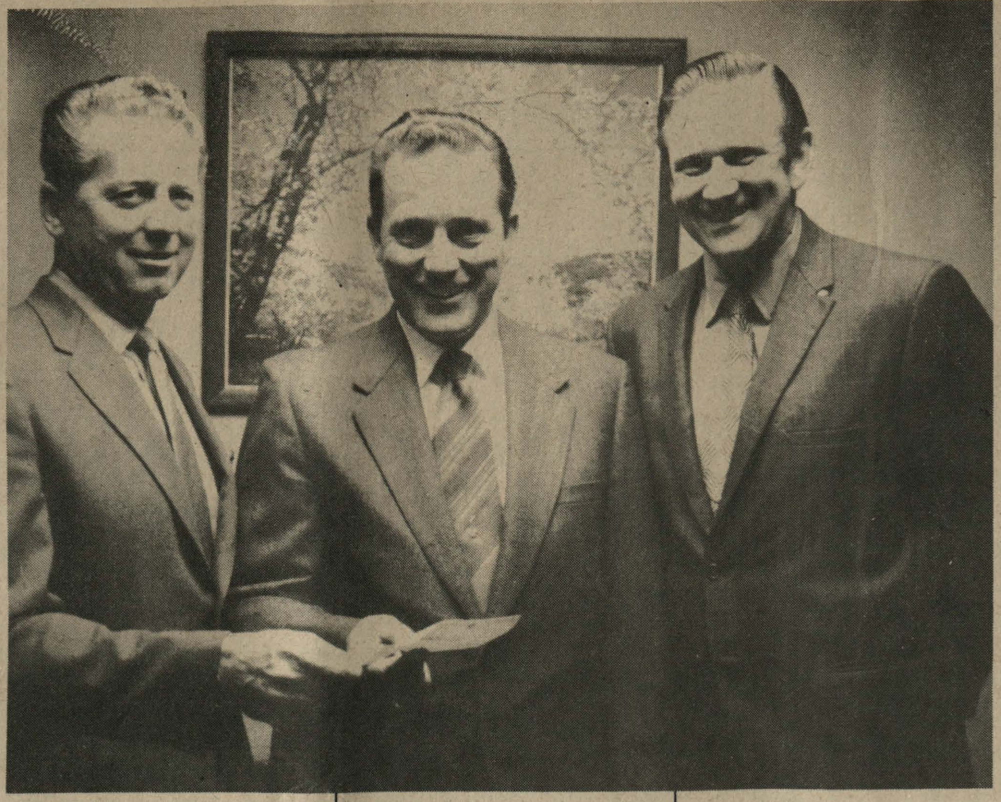
It is a sticky business. The discussion generally branches out into a wide-spread area, and it becomes difficult to see any tree for the forest.

The city has designated the two stately walnut trees at the railroad track at Harrison and Campbell as more or less "official" (The masthead of The Press uses a replica of 'em).

And Mrs. Dorothy Kahrmann reminded us this week that she thinks the cherry trees on Cherry Lane have already been declared "official".

And there are others who feel that the almost-gone but not forgotten prune tree should be declared "official" as Campbell is the "orchard city" (officially).

That seems to put it all right out on the limb.



KIWANIS GIFT---A check for $1500 was recently presented to Police Captain Don Burr, acting police chief, for the John D. Morgan fund by Bob Stephens, left, and Dick Hardy, right, of the Campbell Kiwanis Club. The funds were raised by a supermarket contest which the Kiwanis Club sponsored.

Donations to the Morgan Fund have exceeded $18,000, according to Capt. John Butler of the Campbell Police Department, but little remains. However, reimbursements are being made to the fund by Blue Cross. Morgan, who suffered a paralyzing stroke on February 13, was recently moved to Valley Medical Center where doctors will proceed with physical therapy in the rehabilitation unit.

plans were Chairman Dale Scott, Norm Paul, Carl Larson, Myron Alexander and Ed Pack.

In other actions, the Planning Commission:

APPROVED a temporary sign for the Parts Mart at 3030 Winchester Blvd. But DISAPPROVED a pole sign for Winchell's Donut House in the new shopping center at San Tomas and Campbell.

APPROVED a one-year extention for a 71-unit complex for Ira Kirkorian at 1581 Bucknall Road and a sideyard variance for Gary E. Fisher for a second-story addition at 1062 Lenor Way.

APPROVED the application for a zone change (R-2-S to P-O) for Value Investors at 129 E. Hamilton and for Harvey H. Green (R-M to P-D) at 2605 Winchester Blvd. which was initiated by the Planning Commission.

In a study session, the Planning Commission agreed to place on the agenda the request of merchants in the Campbell Shopping Center (Winchester at Latimer) that a "flea market" be held regularly at the center.

GIVE US MEN

Gentlemen:

May I presume to offer for your consideration and possible publication, the following lines by Josiah Gilbert Holland, which so fitly voice the needs of our day and times---

"God, give us men! A time like this demands
Strong minds, great hearts, true faith and ready hands;
Men whom the lust of office does not kill;
Men whom the spoils of office cannot buy;
Men who possess opinions and a will;
Men who have honor, men who will not lie;
Men who can stand before a demagogue
And damn his treacherous flatteries without winking!
Tall men, sun-crowned, who live above the fog,
In public duty and in private thinking,
For while the rabble, with their thumb-worn creeds,
Their large professions and their little deeds
Mingle in selfish strife, lo! Freedom weeps,
Wrong rules the land, and waiting Justice sleeps!"

and, one might add, "Men who are not so afraid of next year's elections that they do not follow what they in their hearts, truly believe to be the best."

Yours, with humble apologies,
Madeline Hanks

Blind children benefit from Billy Jones Railroad rides

Blind children will benefit from proceeds received from rides on the Billy Jones Wildcat Railroad in Oak Meadow Park, Los Gatos, all day Friday, August 20.

Ride tickets, 25 cents for children, 50 cents for adults, will be available for sale at the park, Blossom Hill Road and University Avenue, from 11 a.m. to 6:30 p.m. The day's receipts will be turned over to Junior Blind Foundation of Santa Clara County, a non-profit organization whose mission it is to provide mobility training for young blind people, according to Mrs. Fred DeKlotz, Jr. of 16158 Bachman Ave., Los Gatos, trustee of the non-profit foundation.

Mrs. DeKlotz stated that special advance sale six-ride tickets are available at $2.50 and can be obtained by calling her at 354-8856. She added that special letters have been mailed to civic leaders and service groups appealing for support.

Money raised by the Jr. Blind Foundation is used to give blind children special training in daily living skills essential to their becoming independent adults, and is training not available in regular classroom instruction.

Funds are used to hire highly skilled peripatologists (orientation and mobility experts) who conduct very specialized courses on not only how to move freely with the aid of a cane, but also to develop social graces such as shaking hands, shopping, using public transportation, asking and interpreting instructions, safety techniques, and how to use their other senses more fully.

Contrary to popular opinion, blind people do not inherently possess keener sensory awareness, but must be trained and developed.

The Billy Jones Wildcat Railroad is operated by a non-profit organization in keeping with the tradition established by its late founder, Billy Jones, in 1947. The line is an authentic, one-third scale, live steam locomotive and train of passenger cars, complete with switches, station water towers and "round house".

UPSTAIRS AT THE BULL RUN, by Moira Pearce (Fiction)

Moira Pearce has assembled a delightful quartet of heroines, all middle-aged ladies or older. Bull Run, a once-elegant townhouse is to be torn down. The tenants are a worldly, elderly east European princesses; Grace Frazier, recently widowed and having a fling at sexual and intellectual freedom; Laura Larssen, unsuccessful in marriage, who takes life and liquor in fuzzy surprise; Eve Gola, a cigar-smoking sculptress in pursuit of her muse; and a shifting population of young bachelors. They rally together to save their home from the wrecker's ball.

RANSOM, by Robert Smith (Fiction)

It is an ordinary Thursday morning. Carter's limousine service picks up six children to take them to Sloane School. They never arrive. A ransom note is found on the school grounds, demanding $100,000 per child, and is signed by the Black Revolutionary Front. In the next thirty-six hours, with the lives of the children in balance, comfortable suburbanites and radical ghetto blacks must come to terms.

PUNCH GOES THE JUDY, by William Sonzski (Fiction)

Keyes Bolton accepts the assignment of getting his sister home for Christmas, but 19-year-old Judy-Punch to ber brother is determined not to go and her demands are not negotiable. To her the world is divided between lovers and killers and her parents are among the killers. She will not be led back to the Midwest home that will kill her. Keyes cannot command her for the more he learns of the world he sees, her private Chamber of Horrors, the more he knows how starkly sane she is - but still not how to save her. Sonzski's brilliant portrayal of a brother-sister relationship may well prove as meaningful for this generation as Salinger's did for his.

RECEIVES WINGS---Navy Lieutenant (junior grade) Wayne R. Olson, husband of former Miss Dianne E. Morris of Campbell, was designated a Naval Aviator and received his "Wings of Gold" at the Naval Air Station, Chase Field, Beeville, Tex.

The designation represents completion of over 18 months of intensive ground and flight training. His wife (above) participated in the pinning ceremony.

SUSAN GIACOMAZZI

Susan Giacomazzi to wed

Mr. and Mrs. Everett W. Grell recently announced the engagement of her daughter, Susan Adele Giacomazzi, to John Matthew Moore during a dinner party in their San Jose home.

Susan is a 1967 alumna of Del Mar High School and was graduated from University of California at Davis. She will be a graduate student at College of Notre Dame at Belmont this fall and plans to obtain her elementary teaching credential.

Matthew, son of Mr. and Mrs. J. Fred Moore of Lincoln, California graduated from Lincoln High School and University of California at Davis where he will continue work on his master's degree in Dramatic Art.

The bride-elect, whose father is Fred Giacomazzi of San Jose, is the granddaughter of the late Conrad Frischs, early residents of the Campbell area.

No wedding date has been set.

Make Oregon home

MR. and MRS. TIMOTHY WAYNE SKALLAND

Susan Louise Wilson wore a white silk organza gown with a chantilly lace bodice for her afternoon wedding to Timothy Wayne Skalland. She carried a white carnation bouquet centered with gardenias.

The nuptials took place at the Church of Jesus Christ of Latter-Day Saints Ninth Ward Chapel and were conducted by Bishop Norman Parrish of the College Ward.

Susan, a 1967 graduate of Campbell High School, attended Ricks College in Idaho and modeling school.

She was attended by her sister, Lynda Grant of Saratoga.

Her sister's yellow dotted swiss gown was complimented by a yellow and white daisy bouquet.

The bridesmaids were Barbara Stoddard of Carmichael, and Debra Wilson, both sisters of the bride, and Della Butler, a friend of the bride.

Calvin Wilson gave his daughter in marriage while Mrs. Wilson watched the services in a lime green polyester knit ensemble.

The groom, son of Mr. and Mrs. Harley Skalland of Benecia, asked Bill Leavey to be his best man. Ushers were Terry Skalland, Ralph Herring and Ed Coda. His mother's gown was a peach knit and she and Mrs. Wilson both wore white orchid corsages.

The groom attended Vallejo Jr. College and San Jose State College. He served in the Naval Air Force and is presently employed by the U.S. Government Treasury Department.

Following a reception at the church the newlyweds left for a honeymoon in southern California. They will make their home in Portland, Oregon.

League benefit marks Tia Maria grand opening

Candies, buttons and favors will be flying (Latin-style) from a festive pinata in a few weeks when the Junior League of San Jose presents a gala "Fiesta de la Luna" for Tia Maria Mexican restaurant's grand opening on Thursday, August 19. The restaurant is located on Hamilton Ave. near Breuner's.

Over 450 party-goers will gather in the California hacienda-styled restaurant for chile rellenos and enchiladas around the patio dining room's tall stone fountain and under the eaves of adobe tiled porticos.

Plans are well under way for the benefit dinner with proceeds earmarked for the Junior League's many community projects. League activities chairman Mrs. David Edson of Saratoga expects a crowd for the Thursday night gala despite the absence of many members during the height of the summer season.

Tia Maria's co-founders, George Martinez and Warren Simmons, from Danville and San Francisco respectively, will be present for the opening of their sixth Tia Maria restaurant.

The two opened their first Tia Maria near Oakland's Lake Merritt in late 1968 in a renovated, vintage 1927 Spanish-style building. They have since constructed their own buildings using lots of wrought iron, carved wood, tile and colorful Mexican furnishings and decorations to carry out the south-of-the-border theme.

"Fiesta de la Luna" will take the place of the League's traditional summer party, and comes just a few months before their October 16 rummage sale at the Santa Clara County Fairgrounds, where the one-day event is expected to draw thousands of people.

While the Thursday evening gala will be the official opening, Tia Maria will host purveyors and restaurant personnel to dinner the night before, a custom established with the opening of the first restaurant.

GRATIS DUTY

Of about 27,000 fire departments combatting this country's fires, more than 24,000 are manned by volunteers.

Hospital fund receives boost

Phase Two building fund of The Good Samaritan Hospital of Santa Clara Valley this month grew $51,353, as the result of gifts from General Electric employees and the company.

Jerry North, project engineer who was in-plant campaign chairman, reported a total of $31,353 in donations and pledges. The company donated $20,000

Support of local agencies is a policy of the firm, which was also a contributor to the original building fund for The Good Samaritan Hospital, which opened in 1965. It is currently licensed for 259 beds; the $9½ million dollar Phase Two building now under way will bring bed capacity to approximately 400 and will nearly double the hospital's square footage.

Children hold benefit carnival

A neighborhood carnival against dystrophy will be held on August 6 and 7, at 1231 Virginia Ave. Kerry Boomsliter, son of Mr. and Mrs. R. C. Boomsliter will serve as Ringmaster, assisted by Mike Brundih, Jill Boomsliter, Kevin Pratt and Kim Grundy.

The carnival, which begins 10 a.m., will feature such games as beanbag toss, bowling on the green, pie toss, sponge toss, make-up booth, balloon sale, and all proceeds will go to aid the fight against dystrophy and related diseases afflicting millions.

The children got the idea for staging their event while watching TV personality Captain Delta, who is promoting carnivals on his "Cartoonland" children's show seen on station 13.

Last year, in cooperation with Muscular Dystrophy Associations of America, more than 20,000 carnivals were held by children across the country, and over $353,000 was raised for MDAA's research and patient service programs.

The lung cancer death rate among men increased 15-fold in 35 years and the rate is going up among women. Lung cancer is largely preventable, says the American Cancer Society—just stop smoking.

LUCETTES

The Lucettes, a senior citizen group, will hold their regular monthly meeting on Monday, August 9, from 11 a.m. to 2:30 p.m. in St. Lucy's Hall.

Games and refreshments will be provided and those attending should bring a bag lunch. Guests are welcome.

ORDINANCE No. 784

BEING AN ORDINANCE OF THE CITY OF CAMPBELL ADDING SUB-SECTION D OF SECTION 9319 OF CHAPTER 3 OF THE CAMPBELL MUNICIPAL CODE, REGULATING LANDSCAPING, IMPROVEMENT AND MAINTENANCE OF COMMERCIALLY ZONED PARKING LOTS.

WHEREAS, in order to improve environmental quality and in order to protect the economic stability and investment in commercial areas in the City of Campbell and in order to protect the health, safety and welfare of the residents of the City of Campbell, and in order to attain more attractive streets through commercial areas,

NOW, THEREFORE, the Council of the City of Campbell does ordain as follows:

Section 9319, Sub-section D, of the Campbell Municipal Code is hereby adopted to read as follows:

SECTION 9319.D. LANDSCAPING, IMPROVEMENT AND MAINTENANCE OF COMMERCIALLY ZONED PARKING LOTS.

9319.D.1 DEFINITIONS

a. Commercial Parking Lots: Commercial Parking lots shall refer to those paved areas which are associated with all of the "commercially-zoned", or "C" District, uses as defined in Sections 9302 and 9302.1.

b. Drive-In Parking Lots: Drive-In Parking Lots refers to those paved areas which are associated with "outdoor business activities," as such establishments are defined in Section 9301.19.4 of the Zoning Ordinance.

9319.D.2 SURFACE OF PARKING LOTS

All parking lots shall be surfaced and maintained with asphaltic, concrete or other compacted, dense paving material which will eliminate mud, dust, and loose gravel, and shall have incorporated in their design and construction adequate drainage facilities to properly carry away storm waters in a manner as approved by the City Engineer.

9319.D.3 SCREENING AND AESTHETIC TREETMENT OF COMMERCIAL PARKING LOTS.

9319.D.3.1 Screening by solid wall or fence between certain commercial uses and certain residential uses, as prescribed by Sections 9310.1 (52) (10) and 9315.6.2 C, shall remain as requirements over and above those specified herein.

9319.D.3.2 Landscaping requirements of Commercial Parking Lots shall be as follows:

(a) All commercial applications for site development with paved areas along any public street frontage shall be required to provide for landscaping of such paved areas to a minimum extent of 10% of the net site area, which shall exclude all areas of building coverage.

(b) Continuous landscaped areas shall be required along the public street frontages of all paved areas, excluding driveways. Said frontage landscaping areas shall be a minimum of five feet in width, measured at right angles to the street.

(c) Said frontage landscaping shall consist of turf, ground cover, shrubs and trees in combination to provide attractive screening of the paved areas.

(d) Where the frontage landscaping requirement does not provide the minimum coverage of 10%, additional plantings in an amount which makes up the difference shall be evenly distributed throughout the paved areas as attractively as is possible.

(e) Provision shall be made during initial installation for irrigation of all planted areas.

(f) All planting areas shall be protected by concrete curbs or other acceptable barriers.

(g) All planting required by this Section shall be continuously maintained by the owner or owners. Parking lots and landscaped areas shall be kept free of trash and litter on a continuous basis.

9319.D.3.3 Landscaping requirements of Drive-In Parking Lots shall be as follows:

All provisions of Paragraph 3.2 above shall apply with the exception that the landscaping requirements shall be to the extent of 15% of the net site area, which shall exclude all areas of building coverage.

9319.D.4 ENFORCEMENT

Whenever, in the opinion of the Director of Public Works, any public nuisance exists due to the non-maintenance of parking lots and/or landscaped areas, he shall give the owner of the property on which the nuisance is located written notice thereof, describing the condition and stating the work necessary to be done to remove the condition and a reasonable time within which such work must be performed.

If at the end of such time, the work has not been performed to the satisfaction of the Director of Public Works, or his authorized representative, he shall cause a report thereof to be made to the City Council.

The City Council may adopt a resolution which shall declare the condition of public nuisance, order the designated representative to give notice of the passage of the resolution and state therein that unless the nuisance is abated without delay, the work of abating will be done by the City authorities and the expense thereof assessed upon the lots and land upon which such public nuisance shall have been declared to exist. The resolution and notice shall fix the time and place for hearing any objections to the proposed abatement of the public nuisance, or to the declaration that a public nuisance exists. The hearing shall be set at the discretion of the City Council and incorporated in the resolution adopted by the City Council. The Director of Public Works or his authorized representative shall cause notices to be given at least twenty (20) days prior to said hearing date. Upon giving the notice and at the termination of the hearing, the City Council shall acquire jurisdiction of the owner and of the property to abate the public nuisance. The determination of the Council shall be final.

At the conclusion of the hearing the Council may determine that no public nuisance exists, or in the event it shall have determined that there is one, the Council may, by resolution, order the Director of Public Works or his authorized representative to abate such nuisance, and his deputies, assistants, contracting agents, or other representatives are hereby authorized to enter upon private property for that purpose. Any owner shall have the right to cause the public nuisance to be abated at his own expense. However, the owner shall first obtain any and all permits required herein.

The Director of Public Works shall keep an account of all costs of abatement of the nuisance against each separate lot or parcel and embody the account in a report and assessment list to the City Council, which shall be filed with the City Clerk. The report shall refer to each separate lot or parcel of land by description sufficient to identify the lot or parcel, together with the expense proposed to be assessed against each separate lot or parcel of land therefor, respectively.

The City Clerk shall post a copy of such report and assessment list on the bulletin board at the City Hall, together with a notice of the filing thereof, and of the time and place when and where it will be submitted to the City Council for hearing and confirmation. The City Clerk shall give notice to the affected property owners that they may appear at such time and place, and object to any matter contained therein. A copy of the notice stating the amount to be assessed against the property shall be sent to the owner as provided herein, not less than ten (10) days prior to the date set for said hearing.

At the time and place fixed for receiving and considering such report, the City Council shall hear the same, together with any objections which may be raised by any owner liable to be assessed for the work of abating the nuisance, the Director of Public Works or his authorized representative shall attend the meeting with his records, and at the hearing the Council may approve the proposed assessment or make such modifications therein as it may deem necessary, after which such report and assessment list shall be confirmed by resolution. The assessment shall be levied when it is confirmed.

The cost of abating the nuisance upon any lot or parcel of land referred to in the report and assessment, shall constitute a special assessment against the lot or parcel of land and after thus made and confirmed, shall constitute a lien on such property for the amount of the assessment, until paid.

On or before the first day of August of each year, the authorized representative of the City shall request that the assessor enter the amount of each assessment against the affected lot and parcel of land upon the next tax roll upon which general municipal taxes are to be collected, and the city tax collector shall include the same on the bills for taxes. Thereafter, the amounts shall be collected at the time and in the same manner as general city taxes are collected, and shall be subject to the same interest and penalties, and the same procedure and sale in case of delinquency. All laws and ordinances applicable to the levy, collection and enforcement of city taxes are hereby applicable to the special assessment.

9319.D.5 PLAN REVIEW AND APPROVAL

Plans for development of such paved areas shall be submitted to the Planning Department for review and approval prior to the issuance of any building permit. The Planning Department shall review said plans for conformance with the provisions contained herein and shall make recommendations to the Architectural Review Committee who will consider the plans in accordance with provisions of Section 9316.

9319.D.6 EXCEPTIONS

Any exception to any or all of the conditions contained herein may be granted by the Planning Commission upon the written request of the owner or developer whose application is being reviewed on the basis of these provisions, provided that the Planning Commission finds and determines the following:

1. That there are special conditions and situations existing, the affect of which would result in the denial or enjoyment of substantial property rights of the applicant.
2. That the granting of the exception will not be materially detrimental or contradictory to the scheme of the improvements of properties immediately adjacent.
3. That the plans demonstrate a quality landscape proposal.

PASSED AND ADOPTED this 26th day of July, 1971, by the following roll call vote:
AYES: Councilmen: Chamberlin, Podgorsek, Rogers, Smeed, Doetsch
NOES: Councilmen: None
ABSENT: Councilmen: None
APPROVED: Ralph Doetsch, Sr., Mayor
ATTEST: Dorothy Trevethan, City Clerk

QUITE A SHOW --- Valerie Chance is surprised by Steve Guiterrez while Annette Bianchi, right, surprises Steve in a scene from "The Boyfriend" a musical spoof, which brought Julie Andrews early fame. "Boyfriend" will be presented at Campbell High School Auditorium on August 20 and 21 and all proceeds will go to the John D. Morgan fund.

High school production benefits Morgan fund

An ambitious musical production is currently in rehearsal at Campbell High School.

Area students and graduates have joined talents to present "The Boyfriend" a glamorous spoof of musicals of the 20's.

All proceeds from two performances, August 20 and 21, will go to the fund which helps pay the hospital costs of John D. Morgan, Campbell Chief of Police, who suffered a stroke in February.

Volunteering their talents are John Hall and Janie Jones, who just completed two successful high school programs, "The King and I" and "Plain and Fancy."

Choreographer is Marie Stinnett and musical director is Perry Rogers, a 1969 graduate of Campbell who is now a junior at San Jose State College.

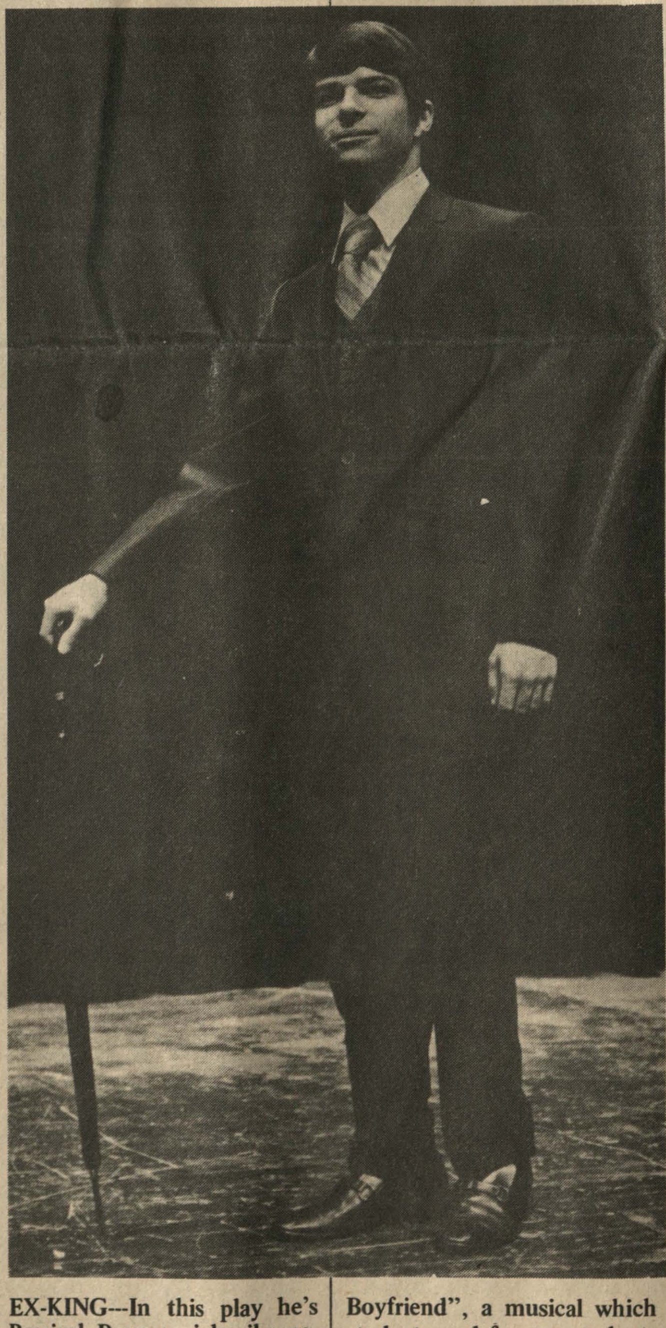
Participating in the program are Ricki Mann, Tom Gabbard, Steve Guiterrez, Jeannie Traina, Alden Skinner, Annette Bianchi, George Akina, Sindy McKay, Valerie Chance, Jeff Risk, Drew Lucas, Jerry Evans, Lori Pellet, Joan Evans, Carolyn Machios and Howard Rogers.

The crew is Steve DeOrnellas, Ann Sjoberg, Keith Stone. Dave Parker, and Tim White.

The cast is currently seeking furnishings for the period, such as costumes of the 20's, a love seat and other items. They also need a piano.

The young people are hoping to interest service clubs and other groups in reserving blocks of seats, which will be $1.50 for adults and $1 for children 12 and under.

The production company is working under the name of "Campbell Civic Theater" and hope to continue their work with musicals, dramas and children's theater productions throughout the year. For information, call Annette Bianchi, 378-8448.



EX-KING---In this play he's Percival Brown, rich oil magnate, but theater goers remember him as "King" of the "King and I" presented at the Campbell High School recently. Alden Skinner is a member of the cast of "The Boyfriend", a musical which students and former students of Campbell High Schools are presenting August 20 and 21 for the benefit of the John D. Morgan Fund. For ticket information, call Annette Bianchi, 378-8448.

Mrs. Creighton is "Employee of the year"

Norma C. Creighton, 1690 Marina Ave., San Jose, has been named California's "School Office Employee of the Year."

Her selection was announced in special "Education Day" festivities at Los Angeles' Biltmore Hotel, in connection with the 45th annual state conference of the California School Employees Association.

Mrs. Creighton, an employee of the Campbell High School District and a charter member of CSEA's Campbell High Chapter 266, is a secretary.

She was selected from the organization's 52,000 members in some 560 chapters throughout the state.

George Batzianis of Santa Barbara, CSEA's state president, made the presentation at a special awards luncheon attended by school and association officials and other visiting guests and dignitaries.

Mrs. Creighton was cited for her "deep concern and interest in people, her job and the community."

COMPLETES BASIC---Lorraine Therese Gage, daughter of Mr. and Mrs. David H. Gage, 2433 Whitethorne Dr., recently completed 10 weeks of basic training at Bainbridge, Maryland. The local Wave, a graduate of Del Mar High School, spent a 14 day leave with her family before reporting to Naval Air Station, San Diego, for general duty administration.

NEW SERVICE---Posing with a giant telephone prop being used by seven Central Santa Clara Valley Hospitals to publicize a new service, Tele-Care, are (left to right) Mrs. Bradley Wyatt, Jr., from Los Gatos-Saratoga Community Hospital Auxiliary; Mrs. Charles B. Cameron, Jr., Park-Alameda Hospital Auxiliary; and Mrs. Edward Rathjen of Santa Clara, Valley Medical Center Auxiliary. Other hospitals whose auxiliaries are initiating this service for persons who live alone are Alexian Brothers', O'Connor, Good Samaritan, and San Jose. Persons interested in Tele-Care should telephone the hospital nearest them.

Calling service initiated at local hospitals

Tele-Care, a telephone check-in service designed for persons who live alone, will be introduced to the Central Santa Clara Valley this week by seven local non-profit hospitals. The service will be operated by auxiliary members.

Hospitals participating in the service will be Alexian Brothers, Park Alameda, San Jose, The Good Samaritan, O'Connor, Santa Clara Valley and Community Hospital of Los Gatos-Saratoga.

Under Tele-Care, each registrant will be called between 9 a.m. and noon seven days a week. If a person does not answer, the auxiliary volunteers will call an alternate and the alternate will be responsible for following through to see if the registrant is all right. Only local calls will be made. There is no charge.

To register, a person living alone should call Alexian Brothers' Hospital, 259-5000; Good Samaritan, 371-0500; Los Gatos-Saratoga Community, 378-6131; O'Connor, 298-3900; Park Alameda, 286-6800; San Jose, 292-3212; Valley Medical, 293-0262.

Fair entries deadine near

Three of the largest departments at the 27th Annual Santa Clara County Fair, Aug. 13-22, will be closing entries soon, said William A. Straub, Fair secretary-manager. Home economics, agriculture/horticulture, and floriculture have set their entry deadlines at Aug. 4, 5, and 7, respectively, Straub pointed out.

Premiums will be given in all home economics divisions. For international booths and feature displays, $50 is awarded to first place, with other cash awards for second through fourth places. The booths, to be built around the theme, "We Do Our Part," will be judged on authenticity, arrangement, and educational value.

Theme for the entire agriculture/horticulture division will be "Now and Then." Booths and exhibits, which will be located in the new Gateway Hall, will be built around this theme. Continuous slide shows will be presented depicting Santa Clara County as early as 1850.

" "Country Garden" is the theme for the floriculture department. This area has five sections which may be entered: Children's dish gardens; cut flowers; flower arrangements; potted plants; and roses.

FAIR ENTRIES --- Dorothy Awong (right), Campbell, and Eunice Kishomoto, San Jose, clerks in the home economics department at the Santa Clara County Fair, examine a recent entry. All exhibits must be turned in by August 4, or the entry form in cases such as perishable goods. Entry forms and additional information is available by contacting the Fairgrounds, 295-3050. Closing time for home economics exhibits is 5 p.m.

LEGAL NOTICE

RESOLUTION OF INTENTION OF BOARD OF SUPERVISORS OF COUNTY OF SANTA CLARA TO SELL REAL PROPERTY NO LONGER NEEDED FOR HIGHWAY PURPOSES

S. D. No. 4 Project South Bascom Avenue
Parcel No. 2411-68 EX

WHEREAS, the County of Santa Clara has acquired for highway purposes certain real property no longer required for such purposes, such property being more fully described in Exhibit "A", attached hereto and made a part hereof by this reference;

NOW, THEREFORE, be it resolved that pursuant to the authority of Section 960.4 of the California Streets and Highways Code, the Board of Supervisors of the County of Santa Clara do hereby declare their intention to offer for sale the above-described real property.

BE IT FURTHER RESOLVED that such real property shall be sold subject to the following terms and conditions:

1. The minimum amount which will be accepted for the sale of such property shall be the sum of FIFTY THOUSAND AND NO/100 DOLLARS ($50,000.00).

2. The County of Santa Clara has purchased a preliminary title report from Valley Title Company, 300 South 1st, San Jose, escrow number 152178. A copy of such preliminary title report is available for inspection at the title company. The successful bidder shall close the transaction through this escrow.

3. All sealed bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check, payable to the order of the County of Santa Clara in the amount of Five Thousand and no/100--Dollars ($5,000.00). All oral bids from persons not submitting written bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check in the amount of ten per cent of the minimum price specified in this resolution. No bid shall be considered unless such deposit is enclosed or provided therewith.

4. Written bids shall be on forms provided by the County. Before accepting any written bid, the Board of Supervisors shall call for oral bids. Any oral bid must exceed by at least five per cent the highest written bid. In the absence of written bids, the minimum oral bid shall be not less than the amount specified in paragraph 1. Final acceptance of an oral bid shall not be made, however, unless such oral bid is reduced to writing and signed by the bidder on a form provided by the County.

No commission shall be paid unless there is contained in the sealed proposal the name of the licensed real estate broker to whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced in writing, states the name of the licensed real estate broker to whom it shall be paid.

5. The County may accept the bid of the highest responsible bidder (written or oral), or may reject all bids, as well as waiving any and all defects or informalities in any and all such bids. In the event there is a tie as to the highest responsible bidder (written or oral), the successful bidder may be determined by lot, or by such other means as determined by the Board of Supervisors. Any sale may be cancelled by County at any time prior to the recordation of the deed, in which event all monies deposited shall be refunded without payment of interest. In determining the highest proposal, the Board shall not subtract therefrom any commission to be paid in accordance with paragraph 12 hereof.

6. Within sixty (60) days after date of acceptance of bid by the Board of Supervisors, the successful bidder shall:
   (a) Pay the balance in full, or
   (b) Increase his deposit to not less than twenty-five per cent (25%) of the amount of the bid by deposit with the title company referred to in paragraph 2.

The balance of the purchase price (in a maximum sum of seventy-five per cent of the amount of the bid) shall be evidenced by a promissory note by the successful bidder naming the County of Santa Clara as payee, such evidence of indebtedness to be secured by a first deed of trust covering the entire parcel being sold. Such note shall be payable on or before eighteen (18) months after date of recordation of deed. The deed of trust shall contain a clause providing for acceleration upon the alienation of title.

Upon delivery into escrow by bidder of all documents and money provided for in (a) or (b) above, County shall deliver into escrow a deed in favor of the successful bidder.

7. The promissory note shall bear interest at the rate of seven per cent per annum.

Said interest shall be paid to County quarterly on the first day of January, April, July and October, commencing with whichever of the last-mentioned months that follows the recordation date of the deed. Each quarterly interest payment shall be computed and prorated on the basis of the unpaid balance prevailing at the beginning of the quarterly period.

A late charge in the amount of 2% of the quarterly interest payment will be assessed if interest payment is not made within 10 calendar days after due date.

The principal obligation under the Note and Deed of Trust may be prepaid in full or in part at any time without penalty. Partial payments shall be applied against the principal obligations.

8. Until the recordation of the deed to the successful bidder, the successful bidder acquires no right, title or interest or equity in or to such real property.

9. A failure of the successful bidder to comply with any of the provisions of this resolution shall cause the County to terminate the sales proceeding and retain the deposit referred to in paragraph 3.

10. The sale shall be without warranty, express or implied, and shall be subject to all liens, easements and encumbrances, whether of record or not, as of the date of recordation of the deed. The County of Santa Clara does not guarantee the condition of the property, nor does it assume any responsibility for its conformance to codes or regulations of the State of California, or the city or county in which the property is located. It is the successful bidder's responsibility to determine all applicable building, planning and zoning regulations relative to the property. The property will be sold on an "as is" basis.

11. Any and all expense incurred in the transfer of title to such property to the successful bidder, including title insurance, escrow charges and documentary stamp tax, shall be paid by the successful bidder, with the exception that the County of Santa Clara will pay for the preliminary title report previously referred to.

The successful bidder shall deposit into escrow a policy of fire insurance covering any improvements located on the property in an amount satisfactory to and naming the County of Santa Clara as coinsured.

12. In the event a commission is to be paid in accordance with the provisions of paragraph 4 above, County shall pay a licensed real estate broker commission in the maximum of six per cent of the purchase price, such commission, however, to be paid only in the event that the Board of Supervisors accepts a bid, only out of monies received by the County of Santa Clara for the sale of property, and only after recordation of the deed. Such commission shall be paid as follows:

(a) If the highest acceptable sealed bid is submitted by a licensed real estate broker, a commission of three per cent of the purchase price. In the event of a tie between two or more licensed real estate brokers as to the highest acceptable sealed bid, the commission of three per cent of the purchase price shall be equally divided between the brokers. No commission shall be paid if the highest acceptable sealed bid is not submitted by a licensed real estate broker. In the event of a tie between a licensed real estate broker and a bidder who submits a bid and is not a licensed real estate broker, as to the highest acceptable sealed bid, the licensed real estate broker shall be entitled to a commission of three per cent of the purchase price.

(b) Three per cent of the purchase price to the licensed real estate broker submitting the successful bid.

BE IT FUTHER RESOLVED that on 9-15-71, at the hour of 10:00 o'clock a.m. at the office of the Clerk of the Board of Supervisors in Room 524 in the County Administration Building, 70 West Hedding Street, San Jose, California, 95110, is hereby fixed as the time and place at which sealed bids, in writing, for the purchase of such property will be received. The Board will open all such bids at a public meeting of the Board at the hour of 10:30 a.m., September 15, 1971, at the regular meeting place of the Board of Supervisors in the County Administration Building, 70 West Hedding Street, San Jose, California, and at which time and place oral bids will be received.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall publish this resolution pursuant to Section 6063 of the Government Code and shall post a copy of this resolution on the property and at two other locations customarily used by the County for the purpose of posting public notice.

ORDINANCE NO. 785

BEING AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CAMPBELL AMENDING THE ZONING MAP OF THE CITY OF CAMPBELL BY ADOPTING PLANS, ELEVATIONS, DEVELOPMENT SCHEDULE AND A MAP FOR A PORTION OF THE PLANNED DEVELOPMENT ZONE AS ESTABLISHED BY ORDINANCE NO. 730 ON THE 25TH DAY OF MAY, 1970. (Application of Joseph and Hedy Herr).

The City Council of the City of Campbell does ordain as follows:

SECTION ONE: That the Zoning Map of the City of Campbell being a part of Chapter 3, Article IX of the Campbell Municipal Code, as referred to in the Appendix of said Code, together with amendments thereto is hereby changed and amended by adopting the attached "Exhibit A", entitled "Plans and Elevations", "Exhibit B", entitled "Development Schedule" and "Exhibit C" entitled "Map of said Property", as per application of Joseph and Hedy Herr, on property located at 279 and 285 Dillon Avenue. Copies of said exhibits are on file in the office of the Planning Department.

Said approval granted subject to the following conditions:

A. Property to be fenced and landscaped as indicated and as added in "red" on plans.

B. Landscape plan indicating type of plant material, location of hose bibs or sprinkler system and type of fencing to be submitted for approval of the Planning Director at time of application for building permit.

C. Faithful performance bond in the amount of $3,000 to be posted to insure landscaping, fencing and striping of parking area within three (3) months of completion of construction.

D. Landscaping shall be maintained in accordance with the approved landscape plan.

E. An enclosure of sufficient size to house all trash containers shall be located in an area approved by the Fire Department. Said enclosure to be constructed of six foot high sight-obscuring walls with a concrete floor and six foot self-closing gates.

F. All parking and driveway areas to be developed in compliance with Section 9319 of the Campbell Municipal Code.

G. Underground utilities to be provided as required by Section 9110.6 of the Campbell Municipal Code.

H. Plans submitted to the building department for plan check shall indicate clearly the location of all connections for underground utilities including water, sewer, electric, telephone and television cables, etc.

I. Sign application to be submitted in accordance with provisions of the sign ordinance for all signs. No sign to be installed until application is approved and permit issued by the building department.

J. The applicant agrees that the building will always be used in the manner presented and approved, and is to sign an agreement to that effect. Said agreement to be approved by the City Attorney.

K. Applicant to dedicate to 60 foot right of way on Dillon Avenue.

L. Applicant to enter into agreement and post bond for street improvements on Dillon Avenue.

M. Applicant to file and process parcel map.

N. Applicant to pay storm drainage fee in the amount of $175.00.

ORDINANCE #________

Young theater continues summer schedule with "OZ" production

The "Wizard Of Oz", a world famous musical about a fantasy land called Oz, and the adventures of a little girl carried there by a cyclone, will be presented by the San Jose Children's Musical Theater beginning Saturday, and Sunday, August 7 and 8 at the St. Frances Cabrini Hall on Camden Ave. Saturday performances are at 8:15 and Sunday matinees at 3 p.m. A donation of $1.50 for adults and $1 under 14 is requested.

The story of "Wizard Of Oz" is familiar to every child from 4-64.

The SJCMT production is complete, with all of the characters, including Dorothy, played alternately by two 10 year old girls, Judy Tollner and Gina Marucci; the Scarecrow, portrayed by Alice Arico and Gina Eades; the Tinman, performed by Ed Sudyka and Maurice Agrillo, and the Lion, Bill Howard.

This production boasts a cast of over 120 youngsters from 4-19 years of age, and a crew and orchestra of over 30 hard working members of the community.

Saturday there will be a "Gala 7-UP Opening".

The cast and crew will meet with the audience who in turn will meet those who make this organization run, the heads of the committees, members of the San Jose Fine Arts Commission, city councilmen, etc.

There is no extra charge for this performance, but reservations should be made in advance to guarantee a seat, as they should for every night. Only those seats not reserved in advance will be available at the door.

This production is directed by SJCMT Resident Director, John P. Healy, Jr., a Stanford Music and Theater student. Healy is running the entire "Cabrini '71" program, which includes lessons in acting, singing, dancing, puppets, violin classes, music history and sight singing, serving over 200 young people this summer.

In addition, the SJCMT has three touring companies which perform at rest homes, clubs, parties, fashion shows, and meetings; the Entr'Actes, comprised of teens from 12-19; the Melodears, all girls from 10-16; and the Finales, the very young performers, from 6-10 years.

Last weekend at the Senior Talent contest of the Santa Clara County Fair, Healy and his assistant director, Robbi Thornburg of Camden High School, were selected in the top five, to compete during Fair Week. They presented a duet from "Annie Get Your Gun".

For an evening of wholesome family entertainment for children of all ages (4-64) the community is urged to support the SJCMT and see the Wizard Of Oz. For further information or ticket reservations call 377-6818, 371-0232, or 377-9825.

FINALISTS---Chosen to compete for first place in the senior talent contest at the county fair on Saturday, Aug. 14 are left to right, G. Johnson, dramatist, John P. Healy, Jr., and Robbie Thornburg, comedy duo, Steve Perry, member of a three-man singing group and front, Jeanie Wianco of Campbell.

Wed at Los Gatos

Afternoon services at First United Methodist Church of Los Gatos were conducted by Dr. A.L. York to unite Jannell Fern Beech and James Charles Blohm recently.

Jannell, daughter of Mr. and Mrs. James I. Beech, wore an A-line gown of shimmery crepe with full length fitted sleeves adorned by a braided pearl belt that draped at the waist and hung to ankle length. The gown was made by the bride's mother. The headpiece was designed by the bride.

The Campbell High graduate carried a spring bouquet of yellow baby roses and baby's breath.

She chose as honor attendants her sister, Heidi Beech, and Kathleen Mamola and Sheri Norris were bridesmaids.

Her groom, James Charles Blohm, is the son of Mr. and Mrs. Robert Blohm of Irvine. He attended John Muir High in Pasadena and Lewis and Clark College in Portland and California State College at Fullerton. He is currently employed by Southern California Edison.

Best man was Thomas Van Worken and Ronald Heim and Richard Kronman served as ushers.

The newlyweds will make their home in southern California.

Day school college enrollment application due by August 13

Deadline for filing an application (including test scores and transcripts) for admission as a day student to West Valley College for the fall semester is August 13. Prospective students wishing to enroll this fall must go to the admissions and records office, 51 E. Campbell. Students who do not have a complete packet on file by that date will not be able to register for classes.

Students in the extended day (evening) program may pre-register by stopping in the admissions office to complete a fact sheet. They will then receive a packet which may be filled out at home and mailed in to the college.

Mail registration at the college has proven to be a great success. Last spring over 4500 of the college's extended day students registered by mail.

This fall, for the first time, 2500 day students who were on the Dean's list or with 40 or more college units completed, will begin classes after registering by mail.

Those interested in attending West Valley this fall, and who were not enrolled this past spring, are urged to go to the admissions office before August 13.

CHURCH SPEAKER

Dr. Lehmann Strauss, noted Bible teacher, conference speaker, and writer, will speak at the Saratoga Avenue Baptist Church on Sunday, Aug. 8, at 11 a.m. Dr. Strauss is presently in this area as the Bible teacher for the Biola Conference at Mount Hermon.

The church is located at 1735 Saratoga Ave., San Jose, next to the Palo Alto-Salinas Savings & Loan in the Westgate area. Rev. Harry Twining is the Pastor, and Rev. Richard Reed is the Youth Pastor. A nursery is provided at all services.

NEW OFFERING --- This is high drama from the "camp" musical melodrama "Widow of Rancho Ciruela" which will open Friday at the Gaslighter Theater. Featured will be Jo Aydelotte, left, Faye Cupp and Carl Aydelotte. The show will run through November. For information, call 378-9721.

DARTING AROUND

with Tom Carroll

There is much talk and rumor as to who is teaming up for the North American Open.

Although the entries must be in the hands of the Southern California Darts Assn. no later than 11 p.m. Saturday, August 21, substitutions may be made prior to competition on the weekend of the tournament.

Several John Doe entries are expected from this area with the final make-up of the team to be decided when everybody gets together in Culver City.

The nation-wide scope of this event can be seen in the charter flights from New York, Washington and other East Coast cities. Many spectators are expected in the Culver City Veteran's Memorial Auditorium to witness this $4,000-plus event, August 28 and 29.

The singles competition will pay $1,000 for first place. Second place will receive $500 with third walking away with $200. Fourth place gets $100 and fifth through eighth receive $50 each. Ninth through 16 will get $16.00 and 17th through 32nd will get their $8 entry fee back. Trophies will be presented to the first four finishers.

The Ladies Singles, with a three dollar entry will pay off $100, $50, $25 and $10. The doubles competition will pay off $400, $200, $100 and $50 on its eight dollar per team entry. All these games will be played at 301 points, double on—double out, best two out of three games.

The five man team competition has a twenty dollar entry fee and will be contested at 1001, straight start. The double on will not be required in this competition, but the double out to finish will be necessary. Prizes here are $500, $250, $100 and $50.

All you sharp-shooters can get your entry blanks at your nearest dart pub. As we pointed out in last week's column, the feeling is that if you win three games you'll get your entry fee back.

ANOTHER NEW PUB

A year ago there were only three dart pubs in the Campbell-Los Gatos area. With this latest addition we now have nine. The newest pub is at Hamilton and Bascom. Bobbie and Sandy Sandusky, owners of Court's, 1671 Bascom, expect to have a team in the fall schedule.

If all the new pubs field teams this fall, we could possibly have six new teams. Now if the other leagues in the Northern California Darts Assn. come up with a batch of new teams, we should be able to schedule a 168 game season.

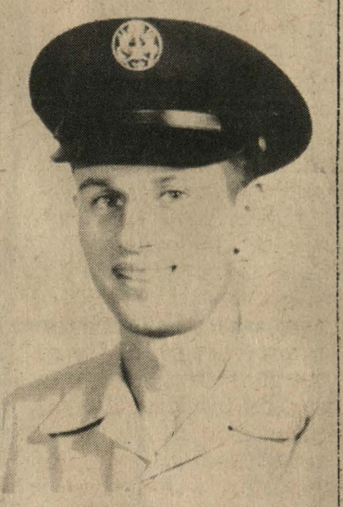
BEST IN MATCH

Mr. and Mrs. Rick Preston of Olympian Kennels have a special new trophy in their Cocker Spaniel kennel. It was won by Olympian Estrellita de Mina, a 17 month old black cocker female, who was awarded "Best In Match" by the Santa Cruz Kennel Club at Soquel match for dogs recently.



COMPLETES BASIC --- Airman Barry J. Walker of 1236 Ridgeley Dr., Campbell, has completed basic training at Lackland AFB, Tex. He has been assigned to Chanute AFB, Ill., for training in weather services. Airman Walker, a 1966 graduate of Notre Vista High School, Riverside, Calif., received his B.S. degree in 1971 from San Jose State. His wife is the former Barbara Frey of Campbell.

RETURN TRIP---Four members of the West Valley Colts, who played in Yakima, Wash. last year as members of the all-stars, pose with the championship banner they helped win in 1970 just before leaving by bus on Monday for the northwest.

Left to right, Dave DeLong (Camden); Russ Van Vleck (Los Gatos); Rick Bauer (Los Gatos) and Jay Peryam (Del Mar).

ON TO WASHINGTON---Five members of the West Valley Colts who are playing in the regional tournament this week in Yakima Washington, get ready to board the bus at Campbell High on Monday for the long trip. Left to right, Matt Vaughn (Los Gatos); Ron Wright (Blackford); Rick Bauer (Los Gatos); Jay Gingrich (Campbell Colts-Branham); Gary Haney (Westmont).

West Valley Colts win sectional, advance to Washington tournament

West Valley Colt League all-stars swept the sectional tournament at Santa Cruz to become the still undefeated sectional champs.

The team left by bus from Campbell High School at 5 p.m., Monday, Aug. 2 for Yakima, Wash. for the regional tournament where the local all-stars open play at 5:30 this evening.

In the opening game on Thursday, July 29, West Valley sneaked by Diablo Valley 3-2. All the scoring was bunched, as in the top of the third, John Dilles (Los Gatos) and Jay Peryam (Del Mar) were walked and Jeff Mason (Campbell) hit a long home-run over the left field fence to drive in all three runs. Both runs for Diablo were walked in in the 4th inning. Rick Bauer (LG) was the winning pitcher.

Santa Cruz won over Salinas 3-2 in the nightcap going into extra innings to win in the 8th.

On Friday, July 30 Diablo Valley eliminated Salinas 8-0 in the opener.

Santa Cruz met West Valley at 8:30 the same evening and bowed to our local crew, 12-6. However, West Valley had to come from behind when they went into the 4th at 3-0 and left the inning tied 3-3.

The tie held until the 6th when three singles by Steve Bell (Branham, but representing Campbell Colts), Bill Moore (Prospect), and Gordy Hahn (Campbell) were scored by John Dilles' walk and another single by Jay Peryam.

The frosting on the cake came in the 7th when George Hahn singled, Bell walked, Moore singled, Ron Wright (Blackford) singled and Gordy Hahn forced Bell at home. Dilles singled and Bauer tripled to drive in the last of the 6 runs in that inning.

Diablo Valley swamped Santa Cruz Saturday night 12-0 (in 5 innings) to stage a re-match with West Valley at 2 p.m., Sunday, Aug. 1.

West Valley, as visitors, started the first inning in grand style. Gordy Hahn got a base hit, but was forced at 2nd on a fielders' choice by Dilles. Peryam singled sending Dilles to 3rd and he scored on Bauer's single. Campbell's Jeff Mason came to bat and unloaded his 2nd home run of the series, scoring 3 R.B.I's for the second time.

Diablo came back with two runs on three walks and an error. Gary Haney (Westmont) came in to relieve, shutting down Diablo and allowing only two hits. In the fifth, after two outs, Bell again singled and came home on Dave DeLong's (Camden) long double, and Haney doubled DeLong home. Haney himself scored, being walked in by three straight base-on-balls. Haney scored Bell on a single in the sixth to give him three hits in four times at bat. West Valley totaled 15 hits in all.

The opening game of the regional in Yakima is tonight at 5:30 with West Valley meeting Washington. Other All-Star teams will represent Yakima and Utah. The tournament runs through Sunday, Aug. 8.

READY TO GO---On Monday West Valley Colts left by bus for Yakima, Washington, to play in the regional tournament. Pictured are seven of the squad, left to right, Steve Bell (Campbell Colts-Branham); John Dilles (Los Gatos); Gordon Hahn (Campbell); Dabe DeLong (Camden); Pat Hughes (Camden Colts-Branham); George Hahn (Campbell); Jay Petyam (Del Mar).

Softball team seeks funds for tournament

The Moreland Campbell team of the International Girls Softball League will be battling it out for the championship of the league on August 17, 18 and 19.

The double elimination tournament will be held at Buena Park, California, site of the International Headquarters of the league.

This team is composed of local graduates of the Moreland Bobby Sox League for the most part, ages 16-19, and is managed by Nadine Sargent.

Mrs. Sargent, who was one of the stars of the Elliots of Los Gatos girls softball team of the 1950's, states that the team is now in the process of trying to raise enough money to go to the tournament.

The trip provides an opportunity for the girls to become the first International Girls Softball champions. This is the first year of organization of this league, and the girls have already posted a 11-4 record.

To raise money for the trip, a car wash and bake sale will be held at the San Tomas Market, 855 So. San Tomas Aquino Rd. on Saturday, Aug. 7.

Any individual or organization who would like to donate is invited to do so. Please call Mrs. Sargent, 378-3847, Mrs. Zelmar, 378-3206, or Mrs. Miller, 378-4186 for further information. Donations may be mailed to Mrs. Sargent at 1181 Virginia Ave., Campbell.

Asquith to try for second win

Asquith Construction, champions of the Campbell Little League and representing Campbell in the District 44 tournament of champions, meets West Valley Little League today (Wednesday) at 6 p.m. at the West Valley field at Rogers Junior High School.

The school is located on Doyle Rd. west of Saratoga.

Asquith won the first game in the tournament defeating Sunnyvale Pioneer Yanks 4-0 at the Sunnyvale field on Monday.

Todd Osburg pitched a one-hitter and collected a solo homer.

Barden Asquith came through with a two-run double and Pat Heany drove in the final run with a fifth inning double.

It's estimated that medical quackery and worthless "remedies" cost the American public around two billion dollars annually—along with unlimited false hope and heartbreak.

CLEAN-UP CREW---Guadalupe Reservoir will be the site of a clean-up campaign on Saturday and Sunday, Aug. 7 and 8, by members of a group of high school students who have formed a group called "Earth Ecology." Those pictured are David Hoagland, Mark Brazda, David Harvey, David Chiramonte and David Keegan who worked on a creek clean-up recently. "Earth Ecology", led by Tom Askeland, is seeking volunteers to meet at the reservoir Saturday and bring a shovel. For information about their work, call 378-3591.

Colleges open spring sign-ups during August

Applications for the spring semester 1972 at San Jose State College or any of the other California State Colleges may be submitted in August.

During the initial filing period of August 2-30, all applications submitted will receive equal consideration for acceptance regardless of what date they are received. Any applications received after August will be considered late, given a low priority and processed only if space is still available, commented Roy Delpier, Admissions Officer at SJSC.

No lower division transfer applicants will be admitted to SJSC during the spring semester.

The application procedure will be the same as that used in November for the fall term as part of the California State Colleges Common Admission Program. Prospective applicants may file only one application with the state college system, listing first, second, third and fourth choice colleges.

Assessments in county now hit 24.4% of value

The average property assessment level in Santa Clara County stands at 24.4 per cent of market value, compared to the statewide average of 23.9 per cent according to the State Board of Equalization.

Noting that all 58 county assessors have declared that they are now assessing at 25 per cent of market value, which the law required all counties to do in 1971, George R. Reilly, of the board, explained the seeming difference:

The county assessor is, in fact, assessing at 25 per cent of his latest estimates of market value. But all of his appraisals may not be 1971 values---the county may be assessing on appraisals made two or three years earlier. In the meantime the property may have increased in value.

The assessor does not have the resources and staff to adjust every property value every year. He has to devote his resources to those areas where the value changes have been the greatest since the last appraisal.

The Board's figures, however, are based on current appraisals which do consider the recent increase in value.

New terms for college advisors

Twenty-one members of West Valley College's citizens advisory committee were reappointed to two-year terms recently. They are:

Judge Bruce F. Allen, Evelyn Buck, William Cilker, Ruby Deranja, Daniel Fields, Emmette Gatewood, Jr., Mrs. Charles Hayes, Ellis Howard, Judge Joseph P. Kelly, Carl W. Ketchum, Gerald Marshall.

Evelyn McCabe, Leon Poe, Catherine Richards, Charles Rose, Vernon Rutlen, Albert Smith, Patricia Space, Thomas Wilberding, William Wilson, and the Rev. Lawrence Whitfield.

FIELD TRAINING

Gregory L. Hegstrom, son of Mr. and Mrs. Einar G. Hegstrom, 2148 Via D'Este, Campbell, is participating in a U.S. Air Force Reserve Officers Training Corps (AFROTC) field training encampment at Hamilton AFB, Calif.

Cadet Hegstrom is a member of the AFROTC unit at Brigham Young University. He is a graduate of Campbell High School.
